SWEENT

CAPABILITY STATEMENT
Empowering businesses through innovative tech solutions.
You name it, we build it.

WHAT SETS US APART

- **GSA Contract Holder:** Simplified procurement through our GSA Schedule Contract (47QRAA25D0024), providing government agencies with pre-negotiated pricing, terms, and conditions for faster, more efficient acquisition of our services.
- **Veteran-Owned, Mission-Driven:** Our service-disabled veteran-owned status reflects our commitment to disciplined execution, integrity, and a results-oriented approach, instilled through our leadership's military experience.
- **Accessibility Expertise:** We design and develop with a focus on WCAG, Section 508, and ADA compliance, ensuring digital solutions are accessible to all users.
- **Agile & Adaptive:** Our Agile methodology allows us to remain flexible, respond to changing requirements, and deliver solutions efficiently.
- **Full-Lifecycle Partner:** We provide comprehensive services, from initial concept and design to development, deployment, and ongoing maintenance, serving as a long-term partner for your technological needs.
- **Technical Proficiency:** We maintain expertise in a broad range of current technologies, including cloud platforms (AWS, Azure, GCP), advanced analytics, and AI, to deliver robust and scalable solutions.

PAST PERFORMANCE

Sweent LLC has delivered a wide array of successful technology solutions to industry-leading organizations. We have consistently demonstrated our ability to meet demanding deadlines, adapt to diverse project requirements, and provide exceptional technical expertise. The following examples highlight our capabilities:

DELOITTE

- Transformed Figma designs into functional, accessible websites and integrated Adobe Analytics for enhanced user engagement tracking.
- Collaborated with Digital Producers and Mixed Media Producers to update and maintain marketing web pages, ensuring content accuracy and optimal performance.
- Provided web development support, including importing and adapting web pages from third-party resources to meet Deloitte's standards.
- Developed accessible marketing pages, integrated analytics tracking, and managed timely publishing of content for the Deloitte's 2024 Impact Report Campaign.

DXAGENCY

- **Server Management:** Ensured smooth operations and minimal downtime for DXagency's web infrastructure.
- **Custom Web Portal Development:** Created a custom web portal, incorporating accessibility features, enabling clients to access marketing data and performance metrics.
- **Ongoing Website Maintenance:** Provided continuous website maintenance, ensuring up-to-date content, optimal functionality, and accessibility compliance.
